Treasurer’s Report (To be added to all upcoming meetings):

- **2016 Budget**
  - Review of the Restatement of the Budget (M. Hurrey) Actuals vs budget in 2015 were cleaned up and are now in line with what was presented in the annual report. 2016: net revenue + (from M3 conf). 1099 for Sharon has come from “office supplies” because of invoice from PCI for administrative expenses—this may change to “other salaries and expenses”. Luncheon, social events and Whalen award expenses were clarified. Still outstanding invoice from Johnson-Matthey for their sponsorship commitment in 2015, this would cover most of the net loss for 2015, and put favorable to 2015 budget.
  - All requests for payment should be accompanied by either an invoice or expense report per audit committee recommendations. Currently there are 3 such requests; NORM sponsorship ($250 – Janet); website hosting & domain transfer ($54.55 – Lisa); domain registration ($125 – Tony).
  - Working with Sharon to fill out 1099 MISC for 2015

- **Bank of America accounts** have been transferred from Nick to Mick and currently Mick and Lissa have access to a check card. Mick will send the signature card to Lissa (to have a back up for writing checks). Current balances of $49K+ in unrestricted; 25K+ in restricted accounts.

**LOOKING AHEAD:**

- Social Media—need a volunteer to head this up.
