- Minutes from June teleconference (Lissa Dulan) were approved. These will be uploaded to the bmgt.org website.

**FINANCIAL REPORT**

- (M. Hurrey)—all strategic planning receipts have been paid at this point. Still don’t have charges from the ACS. Will be over-budget based on what the ACS charges.
- Two more M3 participants to be re-imbursted. ACS owes us money for this.
- Budget items, vote to support the Industrial networking event to the tune of $2500, from the funds for the Whalen Award reception, which is an increase of $500. Motion approved, so it’s officially a part of the 2016 budget now.
- Audit—audit committee will be set up by Joe.
- Travel Support--$150 to Joe for Heroes of Chemistry Award, $478 to Mick for travel to ACS (as participant of the video) Sharon moved, Arlene seconded, motion approved. Funds will come from the national meeting budget line.

**STRATEGIC PLANNING FOLLOW-UP**

- 1-1 Communications Committee Meeting at Philadelphia (Tony Noce)—communication to members is currently via newsletter and/or email blast. Tony will contact Angela Ashton.
- 1-2 Develop Elevator Speech by Philadelphia (Mick Hurrey)—video 60 sec speech (taping at 4:30 Sun in Phil). ACS suggests that it be a personal example of how the division impacts members. Lissa and Mick will craft a generic “elevator speech” for use by all members.
